### **EARTHQUAKE PREPAREDNESS**

Dear Parents,

All children are required as per regulations to have an earthquake kit available to them at Murrayville Academy & Early Learning Centre.

#### **Option A:**

For your convenience and to have compliance with Fraser Health, we strongly recommend you purchase the kit through the school. This kit will be available for purchase prior to or on the first day of school and it is valid for 5 years starting in 2020. It contains all the essential items in an easy to carry backpack. All food items are nut free and an ingredients list is available at 1(888) 4 Mayday. It is U.S. Coast Guard Approved. **Our School Price is \$50.00 per kit.**

You may wish to include a small family photo, a comforting letter from you to your child, a small comfort item and diapers/wipes (5-10) if your child requires them. Please send these items in a labeled zip lock bag so that we can attach it to your child's back pack.

**If you are interested in purchasing a kit from the school please complete the order form and we will debit the amount from your account.**
